

# November Newsletter

## Welcome Home!

November is a time for gratitude.

This month we are so grateful for each of the families who have supported our studio, the amazing staff we have supporting your kids, and the incredible space we have to serve you.

This month has been a crazy whirlwind-but oh have we had fun!

Our classes are in full Holiday Showcase preparation and we can't wait to show you all that we have learned and created for you! Be sure to check the files in your parent portal to help your kids practice their dances at home! And please be sure students are present for classes to learn dances and not miss out!
